SCI-FI/FANTASY
NO 8
ONLY 50p

-Davy Francis-

This is the fourth in the Saucy Sue
Quadrilogy (if there is such a thing).

Jim Blunt, Doctor Madd and

Dummer the Plumber are the crew
of the Saucy Sue,

my answer to Star Wars and the
sci-fi boom of the late 70s
and early 80s. Of course, it's

absolutely nothing like Star Wars,
but I certainly had a lot of fun making
it all up. A little piece of

Davy Francis trivia: this was the
cover that landed me work with

IPC/Fleetway and ultimately, 'Oink!'

CRAZY CREW SAUCY SUE

OH, I'D
LOVE TO BE IN
THE SKY SO BLUE
WITH THE CRAZY
